

Your Friday Water Report

This Week's Topic:

BACK-IN ANGLE PARKING

Did you know?

* Back-in angle parking allows you to safely load parcels in your trunk from the sidewalk.

* By backing-in your doors create a barrier to discourage any young passengers from running into the street.

* When departing, you have full field of vision up and down the street.

* Back-in angle parking is being introduced in and around the Plaza & Bridge St. areas. On-street parking around the inner ring of Plaza Park and the east and west sides will remain traditional parallel parking.
